LAH Hills Club Founded in 1958

The Club was founded to promote social contacts and develop friendships. It is non-religious and non-political.

Luncheon Meetings are held the second Tuesday of every other month and provide an interesting and entertaining speaker.

Annual parties are held at member's homes. Spouses/Partners are invited.

The Club annual dues are usually \$50 per year. But due to the Pandemic the fee for 2023 is \$35.

LAH Club Board Members Who Are Our Members?

2023 Board

Luncheon meetings are held every other month to provide members with opportunities to socialize and share in the pleasures of living in this unique town. Many of the members are volunteers in the town's volunteer organizations and participate in giving back to the community through local non-profits. Others are retirees or work in the high technology world of Silicon Valley or serve in leadership positions on non-profit boards both locally and nationally.

The Club provides a wonderful opportunity to both learn from each other as well as to appreciate the contributions that so many of our members make to their families and to the community.

We welcome new members.
