## On September 11th — Join Us to Celebrate A Day of Patriotic Remembrance and Update on Cyber Security in 2018!

September 11, 2001 will always be with us. We shall forever remember where we were on that day when we received the shocking news that our country's security was struck by terrorists. It will remain with us for as long as we live. The Club will honor the memory of that day with a presentation about the status of our country's security in 2018.

**Jim McFarlin** is a former Air Force officer and high-tech CEO whose company assisted Fortune 500-class organizations such as Intel, Apple and Northern Telecom implement and transition to new generations of technologies. Jim's military and business background gives him unique insight into cyber security and the cyber terrorism threats faced by the United States. Jim is the author of **AFTERSHOCK: A Novel** and **America On the Brink: The Race Against Global Cyberterrorism** (Note: that this is an e-book); as well as the Principal and Publisher of **Cyberwarfare Today**. See Website: [www.Jamesdmcfarlin.com](http://www.Jamesdmcfarlin.com)

In addition to being an expert speaker and thought leader in cyber warfare, Jim is actively involved in volunteer work as the Program Chair of the

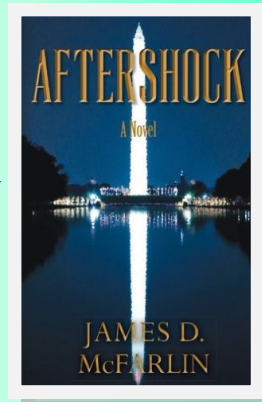

World Affairs Council of the Desert, the Cyber security Advisor of the Rancho Mirage Emergency Preparedness Commission, and as the Board Advisor on the Cyber Patriot Scholarship Program under

the auspices of the Air Force Association Palm Springs.

Jim McFarlin is a true American patriot. His talk will be a meaningful and appropriate way to observe September 11 and help us better understand the challenges the United States faces moving forward. Jim's book *AFTERSHOCK* will be for sale and signing at the luncheon.

If you would like to reserve a copy, please indicate on your lunch choice to make sure enough copies are ordered. The Amazon price is \$15.95.

*We look forward to your attendance at this special luncheon event on Tuesday, September 11, 2018. Guests welcome. Please make your reservations by Friday, September 7, 2018. See menu selections on Page 2.*
