

## No Club Meeting in July

Dear LAH Club Members & Friends:

Who needs another virtual social meeting in a hot sizzling summer? As the Summer Solstice just passed on June 20, we are embracing the summer of 2021 with bustling downtown, crowded beaches, school re-opening, family and friends reunion. Last year when I was the Mayor, I delivered a message of hope: " Knowing our community is united together to combat the virus war, I truly believe this war will make us stronger and it will end sooner or later. " Yes, the pandemic has indeed ended. While we are not ready to gather fully in person, the club board decided to take a break from another virtual social networking gathering in July.

We will be meeting for a delicious luncheon in September at Fremont Hills Country Club when businesses return to normal. Please see the attached YooHoo Newsletter and check out our website: [www.LAHClub.com](http://www.LAHClub.com)

Enjoy Summer. Love Life.
