

Welcome from the Los Altos Hills Club President

Welcome to the best kept secret in Los Altos Hills!

We invite you to join the Los Altos Hills Club which is open to women living in Los Altos Hills who would enjoy increasing their social contacts and developing friendships within our community.

The Club was founded in 1958, two years after the Town was incorporated to provide opportunities for residents to meet and become part of a thriving new community. Club membership is open to women residents of Los Altos Hills, with a Los Altos Hills mailing address. It is non-religious and non-political.

Bi-monthly luncheon meetings are held with interesting programs to provide members with opportunities to socialize and share in the pleasures of living in this unique town. Annual parties are held at member's homes. Spouses/Partners are invited.

Many of the members are volunteers in the town's volunteer organizations and participate in giving back to the community through local non-profits. Others are retirees or work in the high technology world of Silicon Valley or serve in leadership positions on non-profit boards both locally and nationally.

The Club provides a wonderful opportunity to both learn from each other as well as to appreciate the contributions that so many of our members make to their families and to the community. The Club dues are \$50 per year.

Please consider joining the Historic Los Altos Hills Club by completing the membership brochure and sending it to Pamela Taft, Membership Chair, Email: membership@lahclub.com or mail to 10655 Eloise Circle; Los Altos Hills, CA 94024.

Sincerely,

Patty

Patty Radlo,

President Los Altos Hills Club
